Subject: Welcome to SWAYAM-NPTEL Online Courses and Certification! - Basic course in Bio-medical Research

To: <dr.sankalp.avasthi@gmail.com>

Dear course participant

Welcome to SWAYAM-NPTEL Online Courses and Certification!

Thank you for signing up for our online course "**Basic Course in Biomedical Research- Cycle 3**". We wish you an enjoyable and informative learning experience.

Details regarding the course:

Name of the course: Basic course in Biomedical Research

Course url: https://onlinecourses.nptel.ac.in/noc20_md03/preview

All the lectures and the learning materials are now available on the course page. Please go through the following instruction before you access the course.

ANNOUNCEMENT AND DISCUSSION GROUPS TO CLEAR DOUBTS:

- Announcement - will have messages from Admin team to update you about the course
- The discussion forum ('Ask a question' tab on the course page) - is for course participants to ask questions and interact. Anyone who knows the answers can reply to anyone's post and the course instructor/TA will also respond to your queries. Please make maximum use of this feature as this will help you learn more.
- If you have any admin related / general queries, you can post it in the respective section of the discussion forum ('Ask a question' tab on the course page).

CONTENT AND ASSIGNMENTS

The course includes 23 lectures covering conceptualization of a research study, epidemiological and bio-statistical considerations in designing a research study, planning and conducting a research study, writing a research protocol and publication ethics. The learning materials will include - video lectures, lecture handouts, reading/resource materials, example accompaniment, workbooks and text transcripts.

Each lecture will have online assignments consisting of 10 Multiple-Choice Questions (MCQs). Thus, 'total assignment score' sums to a maximum of 230. A minimum of 50% in total assignment score is essential to register for the final proctored exam.

REGISTRATION FOR EXAMINATION:

Registration will open 3 months before the scheduled examination date. To register for examination, the participant will have to fill-up an online form and pay the examination fees of Rs.1000 online. The city-wise list of examination centres will be made available at the time of registration. A minimum score of 50% is considered pass.

CRITERIA TO GET A CERTIFICATE

Participants who successfully clear the final proctored exam will be awarded an e-verifiable course completion certificate.

To: shehreen.akhtar08@gmail.com

Dear Candidate,

Greetings from 360 HELP!

Thank you for the registration and payment for QMS & IA Online training.

Welcome to the online training on ISO 15189:2012 training for all participants across India.

We have already sent you the link for the course material for the first three days, which will be valid for 15 days from the day of activation.

* Please make sure to complete the course material before the Live session.

To get access Visit:

learn.360healthservices.com

You can go through the course material, module by module at your own convenience according to the sequence of the days.

You would also be given the instructions and samples to complete the required Exercises 1 & 2.

1st day

Introduction

Global Perspective of ISO 15189

Clause 4 : Management Clauses

Exercise I

2nd day

Clause 5 : Technical clauses

Exercise II

These are in the form of scenarios. You have to write the Main Clause and Sub clause for these scenarios after consulting the Standard.

3rd day

Presentation on Internal Audit

Principles of Audit

 Types of Audit Audit Conduct

Go through the Mock Quality manual to find out inadequacies.

4th day

Live Q/A session by the faculty.

The writing of NCs and the closure would be discussed.

QSP and QM will be discussed.

Discussion on Ex.I & II

Writing of Quality System Procedure

Mock Audit

Finding inadequacies in the Quality Manual

Route to Accreditation

Test.

In the end you will have a online test of 1 hr . 60% scoring is required to qualify for certification.

Advantages of Online classes

You can manage your time

You have time to go through the material repeatedly and ask questions on 4th day.

Certificate will be delivered after the completion and qualification of the exam.

Note :- Meeting Link will be shared one day before the Live session.

Kindly keep yourself available online for 4th day interaction with faculty.

Thanks & Regards
